

Certificate

OF ACHIEVEMENT

This document acknowledges that

Vladyslav Kunitskyi

has successfully completed course:

Asynchronous programming in C #

Oleh Taritsa

Chief Executive Officer at ITVDN

ID: **TP58315665** Date: **02.06.2024**

Certificate

OF ACHIEVEMENT

Task Manager. Child tasks	100%
Asynchronous task-based asynchronous pattern	100%
Thread safe collections. Producer-Consumer Pattern. Class parallelism	100%
Intro to Asynchronous Programming	100%
Keywords async await. Technical implementation	100%
The operation of the synchronization context with async await. The role of async await in ASP.NET	100%
ConcurrentDictionary. PLINQ	100%
Asynchronous programming with async await	100%
Exceptions in asynchronous code. Coordinated cancellation. Locking	100%

Score: 1000 / 1000
